Dear Frank,

Just wanted to let you know that I today approved the dispatch of letters to both your daughter and son-in-law telling them that we simply could not find a place for them within the Central Intelligence Agency. I wish the answer could have been otherwise. We really did look at their qualifications versus our requirements and they just didn't match at this time. I just wanted to let you know that this was not a casual response.

Pat joins me in sending our best to you and Vicky. All the best.

Yours,
